

ERP Boot Camp and Vendor Showdown

BECOME 360° ERP CERTIFIED

Hosted by Eric Kimberling, managing partner of Panorama Consulting Solutions, ERP Boot Camp and Showdown focuses on all the steps necessary to:

- **Develop** RFPs for your government institution
- **Select** the right vendor
- **Build** effective functional requirements
- **Implement** on time within budget
- **Apply** change management principals to your project

Our unique set-up gives guests plenty of time to discuss, analyze and ask questions about their specific ERP issues. Some of these opportunities may include:

- Group critique and assessment of your implementation plan
- Interactive case studies and exercises
- Q&A sessions with expert panelists
- Networking with industry peers

WHEN: September 23-26, 2014

WHERE: Vail, Colorado

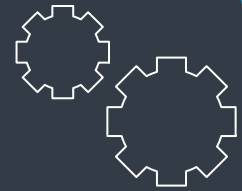

PRICE: Exclusive Public Sector pricing starting at \$399
