PANORAMA

CONSULTING SOLUTIONS

About Panorama

Panorama Consulting Solutions is a consulting firm specializing in the enterprise resource planning (ERP) and IT market for mid- to large-sized companies across the globe. One-hundred-percent independent of affiliation, Panorama helps organizations evaluate and select ERP software, manages the implementation of the software and facilitates all related organizational changes to assure that each of its clients realize full business benefits. As pioneers in the ERP consulting industry, Panorama provides input and leadership proven to minimize IT project risk, accelerate ERP implementation progress and increase the success and value of ERP initiatives. Panorama truly serves as trusted advisors exercising fiduciary responsibility to our clients.

Locations

Our team maintains a global presence with current offices in Boston, Chicago, Denver, Houston, New York, San Francisco, Dubai and Lima.

Consultants

- Each of our independent ERP consultants is trained in our proprietary PERFECT™ methodologies to ensure consistency and quality of services during every engagement.
- Our consultants' competencies are impressive and include MBAs, EMBAs and Six Sigma certifications.
- We leverage a global network of highly-skilled organizational and technical resources to augment staffing based on the specific needs of individual clients.
- Operational experience in multiple industries and knowledge of industry best-practices
