

About Panorama

Panorama Consulting Solutions specializes in enterprise consulting, infrastructure consulting and enterprise resource planning (ERP) and IT consulting for mid- to large-sized, private and public sector organizations across the globe. One-hundred percent independent of affiliation, Panorama helps firms evaluate and select ERP software, implements the software and facilitates all related organizational changes to ensure that each of its clients realize the full benefits of their ERP implementation. We also offer our clients IT strategy, business process reengineering, ERP staffing, sales assessments, energy fueling assessments, emergency/disaster fund management, independent verification and validation, project management oversight and expert witness testimony.

Because of our broad and deep industry expertise, we have launched sister companies within Panorama Consulting Solutions in order to serve a variety of markets: Panorama Government Solutions, Panorama Energy Consulting Solutions and Panorama Disaster Recovery Solutions.

Locations

Our team maintains a global presence with current offices in Boston, Chicago, Denver, Houston, New York, San Francisco, Dubai and Lima.

Consultants

- Each of our independent ERP consultants is trained in our proprietary PERFECT™ methodologies to ensure consistency and quality of services during every engagement.
- Our consultants' competencies are impressive and include MBAs, EMBA's and Six Sigma certifications.
- We leverage a global network of highly-skilled organizational and technical resources to augment staffing based on the specific needs of individual clients.
- Operational experience in multiple industries and knowledge of industry best-practices.
